Dear Poway Pop Warner Families,

It comes with heavy hearts and great sorrow, but due to the ever evolving COVID-19 epidemic and our commitment to keeping our PPW families safe, the PPW Board has come to the tough decision to cancel the 2020 Football and Cheer season. The decision we share with you today is one of the single most difficult and heartbreaking we've ever had to make. However, we recognize that we must put the health and safety of our players, volunteers, coaches and their families in the forefront during such an unprecedented global situation. We are very disappointed that we are unable to hold a season this year, but we know it's the right decision based on the information we have today.

PPW has been a part of Pop Warner and the surrounding communities for over 50 years. As with many decisions being made during this pandemic, we realize that ours adds another devastating blow, but our number one goal, always and more so today, is to put the health and safety of our PPW players and their families first. As of now National Pop Warner has not cancelled the 2020 season, there are two associations nearby taking registration. If you so choose to play this year, PPW will help you get in contact with them. Please stay safe in these uncertain times.

We look forward to moving past this and making happy memories together again in the 2021 season. We will continue to strive to make the Poway Raider Nation the best association in the West Coast Conference and San Diego County.
